Your first impression? This could be our family home for so many years! BBQs and kids playing in the yard with lots of room for your dog to play, fully developed basement for guests & extra space, oversized heated double garage with pull down stairs to storage loft, 3 bedrooms & 3 bathrooms upstairs! Laundry could be relocated to top floor if you eliminated the extra bathroom – so many possibilities. The keyhole crescent location is just perfect and when you drive up you will love the feel of the street and how attractive the home looks. Inside you won't be disappointed with newer plush carpeting, remodelled kitchen, grand entrance foyer, tri pane windows, newer furnace & shingles replaced 2018. The yard is going to capture your heart with all the possibilities, smell the lilacs, plant a garden, and the custom shed is going to come in handy. This one owner home is ready for its next chapter looking for new owners to love living here! Great neighbourhood with walking paths, schools & shopping nearby.
